October BBQ

The Board thought 60-70% burgers and 20% brats were needed and buns to be purchase the day of the BBQ.

Diane will go to Sam'sClub to purchase the meats (40-50 box and 18ct.tube) and another Igloo for water< or Rob will purchase Igloo. The latter was decided necessary so to not add anymore plastic to the environment.

Bill will post BYOCup in newsletter; as well as a reminder to BYOChairs.

Joe will bring 2 grills loaned by Diane.

Rob reported that they have lemonade and soda pop enough.

Joe will purchase the condiments at WalMart, including buns, and cheese. It was not determined if lettuce, tomatoes, onions and pickles are supplied; and if so, by whom?

Melinda will communicate with Joe regarding this question.

Treasurer Diane reported that between donations and dedicated raffle from last meeting, SARS is receiving \$3,915.71 from SJOC for local search&rescue operations.

October means Election time; Bill will post openings (Jeb, Joe, Melinda,Rob)
